Indicate level of team (competitive, somewhat competitive, or recreational)

Please Note: Tallahassee Parks, Recreation & Neighborhood Affairs Department will place teams in league groupings for scheduling purposes. TPRNA will make the final determination on level of play for each team. League numbers differ from year to year. 4 teams are needed to form a level of play within a division. Players may not play on more than one team per league however, you may play on more than one team in a division. Upper league players are not permitted to play in the lower leagues. Playing on more than one team or registering more than one team in the same division may result in game conflicts that are not the responsibility of the TPRNA.

COMMENTS: Due to the over whelming number of individual team requests made each season, team requests will only be considered in very rare circumstances.
