NOTE: Be sure you indicate the number of games you wish to play if applicable. There must be at least four (4) teams per division and/or number of games to form a league.

- LEVEL OF PLAY:**
- Competitive w/pitching screen (L-1 only) - 3 Home Runs- Out
 - Competitive w/pitching screen-1 Home Run-out
 - Somewhat Competitive - 1 Home Run- Single
 - Recreational- Home Run- Single

NOTE: TPRNA will make the final determination on level of play for each team. League numbers differ from spring to fall due to fewer teams registered. 4 teams are needed to form a level of play within a division Players may not play on more than one team per league however, you may play on more than one team in a division. Upper league players are not permitted to play in the lower leagues. Playing on more than one team or registering more than one team in the same division may result in game conflicts that are not the responsibility of the TPRNA.

Due to the over whelming number of Individual team requests made each season, team schedule requests will only be considered in very rare circumstances We will no longer be able to accommodate early or late game requests.* Church teams that do not register to play in the Church league will need to be available to play M-TH.
