**TALLAHASSEE PARKS, RECREATION & NEIGHBORHOOD AFFAIRS DEPARTMENT
PHILOSOPHY AND PARENT CODE OF CONDUCT PLEDGE**

The goal of the Tallahassee Parks, Recreation & Neighborhood Affairs Department is to provide an enjoyable, exciting and satisfying recreational experience for as many of the children in our community as possible.

Our rules are written to encourage participation and enjoyment by all. Developmental sports are to provide “successful” experiences through fundamental skill development vs. a “winning” only, singular philosophy. Skill development ultimately provides the tools for a more competitive winning focus or experience.

To parents of participants, we direct you to refrain from criticizing or exhibiting frustrations toward opposing coaches, players, fans, and officials **IN ANY WAY**. This distraction will only have a negative impact on your child’s, as well as other children’s overall experience. However, we urge you to discuss any concerns you may have regarding the activity with the coach or league supervisor before or after the event in a courteous and respectful manner. Let’s work together to provide a positive experience for each and every player.

We hope that you will measure “success” not simply in terms of team victories, but also in the real enjoyment of playing an exciting sport and having a great time!

To this end we would like to solicit your support by pledging to provide a supportive, positive image in and around all Tallahassee Parks, Recreation & Neighborhood Affairs Department sporting events. Below is the National Youth Sports Coaches Association (NYSCA) Parents’ Code of Ethics Pledge, which will be extremely important for your child, as well as other participants, to expect from their spectators and parents to realize a “successful experience” in sports. Please read the material below and indicate by your signature below that you will abide by this ethics pledge in order for your child to participate in Tallahassee Parks, Recreation & Neighborhood Affairs Department sports programs. In the event that a Park Official feels that this code has been violated it is in their purview to discuss and/or take whatever appropriate action(s) they may feel are necessary with an individual to insure compliance at that time or in the future.

I hereby Pledge to provide positive support, care and encouragement for my child participating in youth sports by following this Parents’ Code of Ethics.

- I will encourage good sportsmanship by demonstrating positive support for all players, coaches and officials at every game, practice or other youth sports event.
- I will place the emotional and physical well being of my child ahead of a personal desire to win.
- I will insist that my child play in a safe and healthy environment.
- I will support coaches and officials working with my child in order to encourage a positive and enjoyable experience for all.
- I will demand a sports environment for my child that is free of drugs and alcohol, and will refrain from their use at all youth sports events.
- I will remember that the game is for youth – not for adults
- I will do my very best to make youth sports fun for my child.
- I will ask my child to treat other players, coaches, fans, and officials with respect regardless of race, sex, creed or ability.

I hereby certify and take full responsibility that my child’s age and address as shown above are correct and meets the requirements of the league and zone rules as indicated on this registration form. I understand that participation in sports may cause injuries. I agree by my signature below, that in the event my child is disabled, injured or incurs a disease of a temporary or permanent nature, I will waive all claims or liabilities against the City of Tallahassee, Tallahassee Parks, Recreation & Neighborhood Affairs Department, SML Park, SML Board of Directors, and SML Coaches. Also by my signature below, I agree to comply with the Parent Code of Conduct Pledge.
